

# 15<sup>TH</sup> ANNUAL MEETING OF THE EUROPEAN ASSOCIATION OF ARCHAEOLOGISTS

15th - 20th September 2009  
Riva del Garda | Trento, Italy

## SPONSORSHIP AND EXHIBITION OPPORTUNITIES

The **15th EAA Annual Meeting** is a very important event and showcase both for archaeologists and the companies of the sector. The meeting is expected to attract around 800 delegates from all over Europe and it represents the opportunity for archaeologists and related groups to meet and continue the EAA's effort to accomplish the objective of a more integrated European archaeology community.

The organising committee will reserve an area for companies and publishing houses which intend to promote their products and services over the days of the meeting. This is the reason why the Palameeting of the Congress Centre of Riva del Garda was chosen as exhibition area: this will be the gathering area for the participants and will host the poster sessions and the coffee breaks during the meeting.

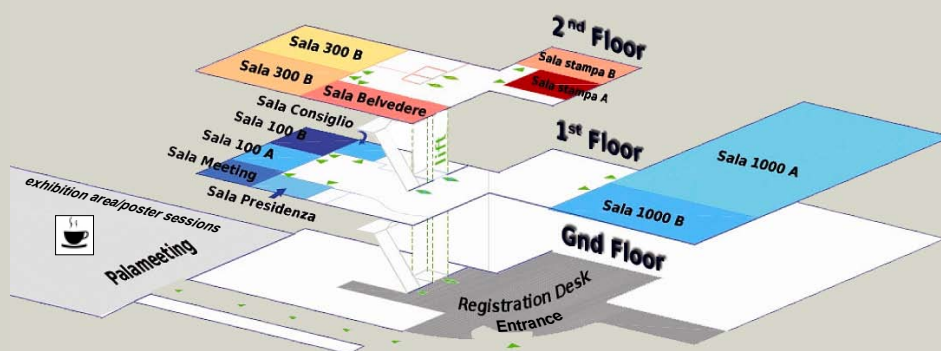

The Congress Centre of Riva del Garda is – for many reasons - perfect for conventions:

- it enjoys a good worldwide reputation thanks to the international meetings it hosts;
- flexible structures and organisational services that meet high-quality standards: exhibition rooms and areas for conferences, events and fairs;
- the large number of hotels in the town offers top hospitality and many of them are just a short walk from the Congress Centre and the town centre.

We are certain that an event of such importance will be of major promotional significance and we invite you to visit the official website of the meeting at [www.eaaitaly2009.com](http://www.eaaitaly2009.com)
